

VILLA S. ANDREA

IGT Zobi

Caratteristiche generali

Abc

Denomination: IGT Toscana Rosso.

Varieties: Merlot 40%, Syrah 60%.

Provenance: Chianti Classico, central Tuscany.

The vineyards that produce this wine are located on hills 150/300m high above sea level, with the best exposure to the south and south-west and situated on shale soils. The training is oriented to production per vine decreased, thus obtaining a high quality of the grapes.

Vinification: after an accurate selection of the best ripe grapes, collected only by hand, were stemmed, crushed and undergo a fermentation at a controlled temperature of 22-23°C in steel tanks. This operation is followed by a maceration of 30 days in order to extract from the greatest amount of polyphenolic substances to get a wine with intense colour, perfume and body.

The wine is transferred in French oak barriques of first step for a period of 16 months, obtained a perfect equilibrium of all its organoleptic features.

Caratteristiche organolettiche

Colour: very intense ruby red, almost impenetrable with slight shades of grenades.

Aroma: intense, complex, elegant, fine, sweet, fruity with intense spicy notes.

Tasting Notes: smooth, well structured, opulent, dense-textured tannins and sweet, balanced acidity, fat structure and density of the wine. Long, persistent aftertaste, fruity with flavours of red berries of the underbrush married to intense and complex spicy notes.

Serving Temperature: room temperature (18-19°C).

Suggestions: the wine matches perfectly with all red meat, game and seasoned cheeses.
